Dear Parents / Carers of children in Year 1

All children in Year 1 are required to take part in a National Screening Check in June which is part of our statutory requirements for all pupils. Over the year children continue to develop their phonetic skills though out the day as they are integrated into their learning experiences.

We deliver short 20 minute phonic sessions daily and would like to invite you into your child's class to learn alongside your child. After the short session we would invite you to join us for a 20 minute adult led session where we aim to answer questions and talk to you about what the screening will look like for your child.

The sessions will be at 9.00am on Tuesday 19th and Wednesday 20th February and will take no longer than 50 minutes.

If you would like to come along, please sign in at the Main Office after you have dropped your child(ren) off.

We hope to see you at one of the sessions.

Kind regards.

Yours sincerely
