

20th March 2019

Dear Parents / Carers of children in Year 1

All children in Year 1 are required to take part in a National Screening Check in June which is part of our statutory requirements for all pupils. Over the year children continue to develop their phonetic skills though out the day as they are integrated into their learning experiences.

We deliver short 20 minute phonic sessions daily and would like to invite you into your child's class to learn alongside your child. After the short session we would invite you to join us for a 20 minute adult led session where we aim to answer questions and talk to you about what the screening will look like for your child. We have already delivered two sessions in the morning and would like to offer you the opportunity to join us with your children after school.

The session will be at 3.15pm on to 4.00pm on Tuesday 26th March and will take no longer than 50 minutes.

Please let us know on the form below if you would like to attend.

Kind regards.

Yours sincerely

Gillian Fitzgibbon
KS1 Leader
