

Friday 17<sup>th</sup> January,

Dear Pink Rabbit,

I am very sorry and regret not bringing you with me. It was a terrible choice I made. Please forgive me. If we're able to come back home then I will leave Fluffy and bring you instead.

You would love to come and see where we're staying! It is so much fun here. There is a beautiful lake full of abundant sea life. When we first got here, I went on one of the steamers but didn't like it much because it was way too cold.

How are you doing? Is everything ok? Is anyone renting the house yet? Who's won the elections? I do hope it isn't Hitler. He's awful! No wonder papa kept righting horrible facts about him in the newspaper.

That reminds me I was extremely ill. Mama nearly risked her life for me. Luckily I soon got better. Mama was very helpful and looked after me just like Hempi would have done. I am going to write to you every day now that I'm better. I am looking forwards to your reply.

Adieu (good bye)

Yours truly Zarana

Dear Pink Rabbit,

I'm so sorry I left you back in Berlin! I knew I should have brought you instead of that other teddy.

Anyways, what's going on back in Berlin? Has Hitler won the elections?

I hope he doesn't get the win the elections so I can see you again. I've been sick for four weeks! Mama said I could have died and that I was extremely lucky. We are in a really posh hotel in Switzerland that take good care of us. I wish you were here with us but there wasn't enough room in my suitcase. I'm so sorry, speak to me soon!

Love Oliver O

To Pink Rabbit,

I am very sorry I left you at home while I travelled to Switzerland you have been my best friend all my life. Please forgive me for leaving you behind in Berlin .I shouldn't have taken my new fluffy dog. I made a terrible mistake. I will never make it again.

Right now we're in Switzerland in a very posh and fancy hotel with revolving doors and silk carpets. Papa is here and we're all back together. For a long while I was ill with something called influenza. There was a strange man who I think was a doctor who paid regular visits. (I was asleep for most of the time.) My neck was swollen and Mama said I must have been poorly for at least one whole month!

How is Heimpi? Is she well? I am sure she is. Who won the elections? Mama thinks there's no chance the Nazis won but Papa is not so sure. I hope they didn't win!

Yours truly Oliver

Adieu (goodbye in Swiss)

Friday 17<sup>th</sup> January 1933

Dear Pink Rabbit,

I am very sorry and regret not choosing you too come with me to Zurich. You are still my favourite teddy. I am very annoyed with myself because I can make awful choices sometimes.

We have all travelled to Switzerland safely it is quite a wonderful place. But I had a sickness called Influenza it could have killed me however it didn't.

Who won the elections? How is Heimpi? How are you?

What is going on in Germany?

Looking forward to seeing you again!

Lots of love from Leon

Dear Pink Rabbit,

I'm so sorry that I didn't take you with me to Zurich . It was a very silly choice that I took my new dog toy who was called Blue instead of a toy that has been with me since I was a tiny baby I wish you were here. I miss you and I hope you can forgive me!

Pink Rabbit you will never guess where we are....we're in SWITZERLAND!

We are staying in the poshest hotel ever because it has swing doors and a balcony with the most beautiful sight of Zurich. I wanted to go outside but it was raining , I must come back home to Berlin at some point. It hasn't been a great four weeks I have been ill with the most annoying illness ever and the family is all back to together.

But now I'm better much better than ever , I'll write to you every week and I will be back home before you know it. Who won the elections? Is hilter gone yet?

See you soon

Adieu

Lots of love for Ellie

Dear Pink Rabbit,

I miss you so much. It was a horrible choice that I made when I leafed you in Berlin. Please forgive me! I wish I had brought you with me to Switzerland instead of the dog.

Our family is back together in Switzerland. We went on a steamer. We are living in a posh hotel and I was sick I slept for 4 weeks Mama didn't give up on me she did everything to keep me alive. The doctor said I had Influenza very ,very, very bad flue.

So how are you doing? What is happening in Germany? How is Hempi? Has the house been rented yet? Who has won the elections? I am looking forward to receiving your letter.

Adieu(goodbye)

Lots of love Alex

Dear Pink Rabbit,

I had made the biggest mistake leaving you. My friend, you and I have known each other since I was a little girl. So will you forgive me for leaving you at Berlin?

We've reunited with Papa in Switzerland in a posh hotel the doors were like solid gold and I have a view of the lake where steamers come by. I'm with Mama and Max. And I've been sick for four weeks now but Mamas been looking after me. Just like Hempi would have.

Oh yeah! Pink Rabbit, whose won the elections? Has the house been rented yet? How are you Pink Rabbit? And how's Hempi? Also what's been happening in Germany? And are you being good?

I will be glad for your letter and like people say in Switzerland, Adieu (it means goodbye if you were wondering)

Dear Pink Rabbit

Please, please, please forgive me for not bringing you with us to Switzerland. I made a horrible decision and I wish that I brought you. I'm so sorry! I've had you all my life and I miss you to the moon and back.

Anyway we are now in Zurich which is in Switzerland and we're all back together with papa in a very posh hotel with glass revolving doors and soft carpets overlooking an extensive lake. On our first day we travelled across it on a bitterly cold steamer that was part of the cause of me having influenza for four weeks that almost killed me! The only thing I can remember from that is having a small bearded man shaking his head. I'm now all better and can nearly properly walk again. This has by far been the worst month of my life!

I've got a ton of questions to ask. How is Heimpi? I hope she's well. Has anyone bought the house? Most of all who won the election? Please say it wasn't Hitler. I'm begging that you'll write back to me soon.

Adieu (goodbye)      lots of love nathan

Dear Pink Rabbit,

I am really sorry that I didn't take you to Zurich. It was a big mistake. I'm already regretting it. You have always been my favourite teddy. Why I didn't I bring you? You're best and you always will be.

It's the worst week EVER! I've had influenza for 4 weeks (a hole month!) I ought to be better soon we are currently staying in a posh hotel witch has a revolving door and a balcony view of the lake.

How is heimpi getting along in Burlin? The most important question is who won the elections? Please say Hitler didn't win. My final question is has the house been rented yet?

I'm looking forward to your reply

Yours truly,

Henry

Dear Pink Rabbit,

I miss you so much. I made a terrible mistake in leaving you. Please forgive me. I don't know why I didn't choose you since I have had you forever and ever. Once again please forgive me.

Dad's with us now (as he was in Prague.) We met him at the station in Zurich. Life's great with Papa. We went on steamers across the lake and had afternoon tea in a café with a tremendous view of the lake. It was great until my head felt swimmy and I had an awful headache. As soon as we got back (we were staying in a posh hotel with revolving doors and posh carpets flooding the floor.) I went straight to sleep as soon as my head hit the pillow. I'd been asleep for four weeks I was shocked! Though luckily I'm much better now.

Anyway how are you? How's Hiempi? Who won the elections? I hope it wasn't Hitler as we won't be able to come home. And have you found anyone to lease the house yet? Sorry I have to go now as we are going for a walk.

Bye bye see you soon!

Yours truly;

Kd xx

P.s I love you soooo much Pink Rabbit.

Dear Pink Rabbit ,

Pink Rabbit, I'm so sorry! It was a horrible mistake not taking you. Please, oh please, forgive me. It was the worst choice not taking you! I hope you can forgive me

You won't believe it, Pink Rabbit, we're In Switzerland. Currently we are staying in magnificent hotel that have fluffy bed and when we first arrived we went on a crystal clear lake although it was very chilly!

Oh and this reminds me I fell under a terrible sickness, this strange little man kept shaking his head at Mama and if you were wondering we're in Zurich and I'm not sick anymore! And I think it's because Mama looked after me like Heimpi did.

Now that I'm feeling better I'll write to you every weekend and how is Heimpi? Who won the elections? Has anyone rented the house yet? Also we might come back to Berlin I'm looking forward to receiving from you

Dear Pink Rabbit,

I'm really sorry I didn't take you to Switzerland. I'm very ashamed of what I did! I made an awful mistake please forgive me. I wish I brought you with me.

Well I am finally in Switzerland with the whole family. I've been sick with influenza for at least 4 weeks I want Heimpi to be here. We might be able to come back and get you to come to Zurich. We're in a very posh hotel and it's really fancy there are plush carpets a great view of the river from our balcony.

What is happening in Germany Pink Rabbit? I'm really worried that Hitler might win the elections. But how are you and Heimpi? Has someone rented the house yet?

I'm looking forward to receiving your reply.

Dear Pink Rabbit,

I am so sorry that I did not bring you with me . I miss you so much, it's very hard to sleep without you .Please forgive me ! Guess where we are Pink Rabbit .

We are in the most posh hotel I can see a beautiful lake from my window . It sparkles so bright in the sun light I could stare at it all day .It's very cold where I am . I went to bed but then in the morning I just felt the same. So Mama put this weird warm water on my back so I said will you stop Mama and Mama just carried on and said it will help me . I was ill for 4 weeks . Oh that reminds me there was this weird man that kept shaking his head at Mama ;because he thinks that I would pass away but mama did not give up on me . Anyways I am much better now I hope you receive this letter Pink Rabbit I cant wait for your reply fingers crossed you are ok.

Who has won the elections ? Do not tell me it was Hitler! how is Hempi ? Did she talk about anyone who is renting the house ? Also did you know that I felt really sick ? I started to feel dizzy and then my throat started to feel sore .

Best wishes from Jasmine x

Dear Pink Rabbit,

I miss you so much and I am so sorry I didn't bring you with us we aren't having that much fun here I know I made a horrible choice and the reason why we have to stay here is one because dad is going to get his passport taken away from him and we have to stay in this posh hotel.

I have to stay in bed for four weeks because I am that sick and I have been ill the whole time I have been in Switzerland and my dad has had the flu and I have been having to lie to people and I don't get it at all.

I am going to be coming back hopefully but at the school that I go to and the boys are separated from the girls but in Germany we were altogether. Wich is the other reason why I want to go back to Germany but I don't want papa to get his passport taken away from him ok I will write to you next week, lots of love, Hattie

Friday 17<sup>th</sup> January 2020

Dear Pink Rabbit,

I'm really sorry I brought my dog toy Barky instead of you. It was a hard choice please forgive me. I'm having lot's of fun I wish you could to. Also I was ill for four weeks.

How's Heimpi is she alright? It's weird not waking up and not seeing her by my side. Has the house been rented? We're living in a posh hotel and if you open the balcony door you can see a vast, glistening lake with carries steamers every day.

I'm looking forward to coming back home to the house if we still have it. Are you ok? Who won the elections? I hope it wasn't Hitler.

From Charlie looking forward to your reply adieu(as they say in Switzerland).

Friday 17<sup>th</sup> January 2020

Dear Pink Rabbit,

I am really sorry I left you back in Berlin .It was a horrid choice .I won't forgive myself .As soon as, we stepped out the house my guts were telling me I made the wrong choice .I wanted to come back and get you but Mama said no!!!

Pink Rabbit, you will never guess where we are. We are in Switzerland! We arrived here on a steam train with a funny old lady .who for the entire journey had a cat in her basket. It answered my question that I asked, who Musterseed was and he said me!!! We stayed two nights, one was on the train and the next was on the cold stone floor of the statio. I put a strain on my back. In the morning, we woke up to a flood of people and one of them was the dearest Papa!!(he was in Prage before).

We exited the station and realised it was still dark. Papa had booked a room in a posh hotel (it was posh because it had revolving doors and a balcony). I was so excited that I stepped in a deep puddle and socked my shoes. It was so cold brrrr. We soon made it to the hotel though someone was still in our room tidying it. I was almost asleep though I forced myself to stay awake. About twenty minutes later, a nice jolly lady came out and said we could go in. The next day, we went out and Papa asked if we would like to go on a boat and we all said yes. Me and Max stood on the front deck even though it was freezing. We went round all the villages and then back to Zurich. The next day, when I woke up I was not feeling well I called for Max but he was not there. In his place was Mama and a doctor who kept repeating the words "the girl has influenza". Soon the doctor left and Mama explained what influenza was, but I fell asleep midway. The next day, I shouted at Mama and said I want Hempi and told her Hempi was better.

Pink Rabbit who won the elections? I hope it was not Hitler. How are you and Hempi? I hope you both are well. Has the house been rented yet? If so I hope it is someone nice.

Lots of love Evie-Mae.
