

2nd March 2020

Dear Parents / Carers of children in Year 1

All children in Year 1 are required to take part in a National Screening Check in June which is part of our statutory requirements for all pupils. Over the year children continue to develop their phonetic skills though out the day as they are integrated into their learning experiences.

We deliver short 20 minute phonic sessions daily and would like to invite you into your child's class to learn alongside your child. After the short session we would invite you to join us for an adult led session where we aim to answer questions and talk to you about what the screening will look like for your child.

The session will be at 9.00am to 9.35am on Wednesday 18th March.

Please let us know on the form below if you would like to attend.

Kind regards.

Yours sincerely

Gillian Fitzgibbon
KS1 Leader
