Dear Parents and Carers

### **Coronavirus**

In preparation that the Government may announce school closures (which at the time of writing we have not been advised of) the school is currently making contingency plans regarding children accessing some learning from home. The children will be bringing home a pack of work to be completed at home should school close. This will include links to websites where they can study online.

The Department for Education Coronavirus Help Line is now available to answer questions about COVID-19 relating to education and children's social care. Staff, parents and young people can contact this Help Line as follows:

Phone: 0800 046 8687

Email: [DfE.coronavirushelpline@education.gov.uk](mailto:DfE.coronavirushelpline@education.gov.uk)

Opening Hours: 8.00am – 6.00pm Monday - Friday

We will keep you up to date via text, letters and social media about any developments re the Corona Virus. In the meantime, we thank you for your ongoing cooperation in keeping any children off school who show any signs of respiratory tract or cold /flu like symptoms until the symptoms have disappeared which could be up to two weeks.

Kind regards.

Yours sincerely

Miss Watson  
Headteacher
