

19th October 2020

Dear Parents/ Carers,

As a celebration for the hard work and resilience that the pupils have shown returning to school this term, we would like to have a non-uniform day on Thursday 22nd October.

Your child may come dressed up in Halloween costume if they wish or they can come in regular clothing. If they choose to come in Halloween clothing, we please ask for no masks (these will be taken from pupils if they show up in them) or anything too blood and gore as some pupils can find this upsetting. If choosing to come in general non-uniform could I please remind you that it should be appropriate and practical for school still e.g. no high heeled shoes.

As part of this reward day, staff will organise for treats and prizes through the day. Given COVID restrictions, 'trick or treating' is not permitted and this can serve as a replacement for those pupils who often take part in this. The treats have kindly been funded by the PTA.

Thank you for your continued support,

Mr Hayes
Deputy Head
